

SOCIAL AND RECREATIONAL CLASSES

For students grades K-12 who learn differently

SOCIAL AND EMOTIONAL SKILLS TRAINING GROUPS

Does your child need help with social skills and emotional regulation? Strong Kids and Strong Teens empirically-based curriculum is used to teach school age children (ages 5-18) appropriate social and emotional skills they need to be successful at school and home and with friends. Eight sessions introduce strategies so that parents can reinforce the new skills throughout the week. *Classes begin October 4, 2018*

THURSDAYS (No class 11/22)

5:30-6:30	Grades K-8	\$400
6:30-7:30	Grades 9-12	\$400

Needs-based scholarships may be available to those who qualify, on a first come first served basis.

RECREATION GROUPS

Your child can meet new friends in MLC's exciting recreation groups. Small student to teacher ratios ensure your child gets the attention he/she needs to have fun. Ratios below reflect the number of students to teachers in a group. Please make sure your child can be successful in that ratio before enrolling.

Groups begin the week of October 1, 2018 for 8 weeks.

MONDAYS

COOK-OFF AMERICA

Cook in our teaching kitchen using recipes representing many states. Everyone takes home what they cook. 5:1 ratio.
