

EXTENDED DAY PROGRAM GENERAL INFORMATION

Extended day care is available before and after school and is located in the Multi-purpose Room. Morning care begins at 7:00 a.m., and evening care ends at 5:30 p.m. An after-school snack will be provided. Breakfast is not provided in the morning, but children may bring breakfast from home.

Enrollment is limited and acceptance for the Extended Day Program is on a first-come, first-served basis. The date a signed Extended Day Program Enrollment Agreement is returned to the school office determines placement in the program. In the event the program is full, this date will determine the child's standing on the list for future enrollment.

Fee Information

For 5-days-a-week, the fees per month are \$200.00 for mornings only, \$280.00 for afternoons only, or \$480.00 for both mornings and afternoons.

Parents who, on an emergency or one-time-only basis, wish to have an occasional extra day of service must contact the school office for consideration and approval. These requests will be honored as space allows. An individual morning is \$10.00, an individual afternoon is \$14.00, and both morning and afternoon for one day are \$24.00. An Extended Day Program bill will be sent home for this unplanned use.
